

First Name: Mark  
Last Name: Joy  
Email address: joy@jc.edu  
City/State: Jamestown, North Dakota  
Country: USA

I am a history professor at a small liberal arts college. I teach a course on the American Civil War and Reconstruction era, among other American history topics. I have been interested in the Civil War in general and Gettysburg in particular since receiving a Marx Civil War toy soldier set for Christmas as a child! I have only been to Gettysburg twice but enjoy reading about the battle and enjoy the discussions on this list.
